

A Solid Investment - Committed to Service

Please take a moment to read.

We appreciate the opportunity to quote on your project and are pleased to submit our quotation as per the attached.

Solid Plastering “Rendering” your home/project can sometimes be a daunting process –Harveygroup understand this, and we are here to assist you with your decision making process. When selecting the right Solid Plastering Professional, we have compiled a checklist that will undoubtedly be of use and welcome your queries in relation to any of the below stated points.

Harveygroup’s unique checklist provides you with a platform and understanding on which to base your decision.

We welcome your questions at any stage, and trust that you will make the correct decision.

Has your selected Solid Plasterer:

- Provided you with a comprehensive and detailed quotation?
- Provided a written acknowledgement of their proposed guarantee?
- Met your required timeframe?
- Provided written references on request?
- Provided a breakdown of materials to be applied?
- Made themselves available to offer after sales support and advice?
- Over 20 years industry experience?
- Explained the Solid Plastering process?
- Offered advice and alternatives?
- Obtained a WorkSafe and Foundations for Safety Occupational Health and Safety Induction Card?

Is your Solid Plasterer:

- A member of the Master Builder Association of Victoria?
- A Registered Builder?
- Registered with The Building Commission of Victoria?
- Using tried and trusted Dulux products? www.dulux.com.au
- Applying the correct method.
- Ensuring cleanliness?
- Punctual and ready to commit to a start and completion date?

- Pleasant and forthcoming?
- Polite and respectful?
- Fully Insured?
- Committed to Service?

If you have answered "NO" to any of the above points, we recommend further consultation with your chosen Solid Plasterer to discuss.

Harveygroup are a third generation Solid Plastering firm, with training from industry professionals. With combined Solid Plastering experience from Australia and Internationally for over 150 years, we offer paramount advice and the finest quality finish. Simply put:

"In life, you will always get what you pay for."

Solid plastering is an art form in itself, few tradesmen remaining in the industry have been able to master and achieve – Harveygroup have proven themselves time and time again (as per our client testimonials) – we don't just apply the product, we have the background knowledge and theory to ensure it has the most professional and long lasting finish possible – this saves you time, money and conflict in the future, something we know that you will appreciate for years to come.

All Solid Plasterers that work for or are subcontracted to Harveygroup conform to the above criteria.

Harveygroup would like to take this opportunity to wish you the utmost success with your decision making process in appointing your Solid Plastering Professional and welcome any further query you may have.
